

# The Witch of the North

## Chapter 1 by Liv

North. I am the Witch of the North. Some call me a good witch some call me an evil one. I have no opinion on the matter. I am simply the Witch of the North. The problem with this is that I am not legally allowed to go to the south when it looks like such a beautiful place.

## Chapter 2 by Madixxpoo

I haven't done anything to make people think I'm evil, nor good. They can't even prove I'm a witch, everyone just thinks I am since I raised myself. I have no memory of my mother or father, one day I was just there, in a cottage, and I figured out everything I needed to survive.

Well, I had a little help from a book I found in the cottage, the pages changed as I grew, and it taught me everything I know today. I never really left unless I needed something from town, which was a ten minute walk, but lately I've been learning/teaching myself how to hunt with a bow and arrow. So, I've been wandering around the woods a lot, which led me to what the townspeople call the "South", although when I reached the gate to the city, some authorities chased me away so I didn't "curse the whole damned city".

It really is lame that everyone thinks I'm such a terrible person, I'm only 15 and I'm barely five foot, yet they think I pose a threat.
